Table of Contents

1. Section 1: Warm-Ups and Exercises
2. Section 2: Solos and Duets
3. Section 3: Trios and Quartets
4. Section 4: Full Band Arrangements

Section 1: Warm-Ups and Exercises

This section includes a variety of warm-ups and exercises that are designed to help students develop their basic percussion skills. These exercises can be used individually or as part of a warm-up routine.

- **Stick Control:** This exercise helps students develop their stick control and coordination. It can be played with any type of stick, and it can be varied in terms of tempo and difficulty.
- **Rudiments:** Rudiments are essential building blocks for percussionists. This exercise includes a variety of basic rudiments, such as the single stroke roll, the double stroke roll, and the paradiddle.
- **Scales:** Scales are essential for developing finger dexterity and coordination. This exercise includes a variety of scales, such as the major scale, the minor scale, and the chromatic scale.
- **Intervals:** Intervals are the distance between two notes. This exercise helps students develop their ear training and their ability to play intervals accurately.
- **Grooves:** Grooves are the rhythmic patterns that form the foundation of music. This exercise includes a variety of basic grooves, such as the rock beat, the funk beat, and the Latin beat.

Section 2: Solos and Duets

This section includes a variety of solos and duets that are designed to help students develop their musical skills and confidence. These pieces can be used in a variety of settings, including the classroom, rehearsal hall, and performance venue.

- **Snare Drum Solo:** This solo is a great way for students to develop their snare drum technique. It includes a variety of rudiments, rolls, and flams.
- **Timpani Solo:** This solo is a great way for students to develop their timpani technique. It includes a variety of rolls, fills, and melodies.
- **Marimba Solo:** This solo is a great way for students to develop their marimba technique. It includes a variety of scales, arpeggios, and melodies.
- **Xylophone Duet:** This duet is a great way for students to develop their xylophone technique. It includes a variety of scales, arpeggios, and melodies.
- **Vibraphone Duet:** This duet is a great way for students to develop their vibraphone technique. It includes a variety of scales, arpeggios, and melodies.

Section 3: Trios and Quartets

This section includes a variety of trios and quartets that are designed to help students develop their musical skills and teamwork. These pieces can be used in a variety of settings, including the classroom, rehearsal hall, and performance venue.

- **Snare Drum Trio:** This trio is a great way for students to develop their snare drum technique. It includes a variety of rudiments, rolls, and flams.
- **Timpani Trio:** This trio is a great way for students to develop their timpani technique. It includes a variety of rolls, fills, and melodies.

- **Marimba Trio:** This trio is a great way for students to develop their marimba technique. It includes a variety of scales, arpeggios, and melodies.
- **Xylophone Quartet:** This quartet is a great way for students to develop their xylophone technique. It includes a variety of scales, arpeggios, and melodies.
- **Vibraphone Quartet:** This quartet is a great way for students to develop their vibraphone technique. It includes a variety of scales, arpeggios, and melodies.

Section 4: Full Band Arrangements

This section includes a variety of full band arrangements that are correlated to Accent on Achievement: Percussion. These arrangements are designed to help students develop their musical skills and knowledge, and they can be used in a variety of settings, including the classroom, rehearsal hall, and performance venue.

- **"America the Beautiful":** This arrangement is a beautiful and patriotic piece that is perfect for any occasion. It features a variety of percussion instruments, including the snare drum, timpani, and marimba.
- **"The Star-Spangled Banner":** This arrangement is a majestic and inspiring piece that is perfect for any patriotic event. It features a variety of percussion instruments, including the snare drum, timpani, and cymbals.
- **"Ode to Joy":** This arrangement is a beautiful and uplifting piece that is perfect for any special occasion. It features a variety of percussion

instruments, including the snare drum, timpani, and marimba.

- **"The William Tell Overture"**: This arrangement is a lively and exciting piece that is perfect for any concert or performance. It features a variety of percussion instruments, including the snare drum, timpani, and cymbals.
- **"The 1812 Overture"**: This arrangement is a dramatic and powerful piece that is perfect for any special occasion. It features a variety of percussion instruments, including the snare drum, timpani, and cannons.

These 22 full band arrangements are a valuable resource for any band director or percussion instructor. They are designed to help students develop their musical skills and knowledge, and they can be used in a variety of settings, including the classroom, rehearsal hall, and performance venue.
