The 17th International Conference on Artificial Intelligence and Soft Computing (ICAISC 2024)

The 17th International Conference on Artificial Intelligence and Soft Computing (ICAISC 2024) will be held in Munich, Germany, from September 14 to 16, 2024. The conference will bring together researchers, engineers, and practitioners from all over the world to present and discuss the latest developments in the field of artificial intelligence and soft computing.

ICAISC 2024 will feature a wide range of topics, including:

- Machine learning
- Data mining
- Image processing
- Natural language processing
- Speech recognition
- Computer vision
- Robotics
- Optimization
- Control
- Simulation
- Modeling
- Forecasting
- Decision making
- Planning
- Scheduling

ICAISC 2024 will also feature a number of keynote speakers, including:

- Prof. Dr. Bernhard Schölkopf, Director of the Max Planck Institute for Intelligent Systems
- Prof. Dr. Yoshua Bengio, Director of the Montreal Institute for Learning Algorithms

- Prof. Dr. Geoffrey Hinton, Professor of Computer Science at the University of Toronto
- Prof. Dr. Andrew Ng, Adjunct Professor at Stanford University
- Prof. Dr. Zoubin Ghahramani, Professor of Computer Science at the University of Cambridge

ICAISC 2024 is an important event for anyone interested in the latest developments in the field of artificial intelligence and soft computing. The conference will provide a unique opportunity to learn from leading experts in the field and to network with other researchers, engineers, and practitioners.

Conference Proceedings

The proceedings of ICAISC 2024 will be published in two volumes of the Lecture Notes in Computer Science (LNCS) series. The LNCS series is a prestigious publication series that publishes original research results in the field of computer science. The proceedings of ICAISC 2024 will be indexed in the major scientific databases, including the Web of Science, Scopus, and Google Scholar.

The proceedings of ICAISC 2024 will be available in both print and electronic formats. The print version of the proceedings will be available for purchase at the conference. The electronic version of the proceedings will be available for free download from the SpringerLink website.

Important Dates

- Submission deadline: March 15, 2024
- Notification of acceptance: May 15, 2024

- Camera-ready deadline: June 15, 2024
- Conference dates: September 14-16, 2024
