Materials

- One jelly roll (40 strips of fabric, each 2.5" x 42")
- Backing fabric (1 piece of fabric that is at least the size of the quilt top)
- Batting (1 piece of batting that is the same size as the quilt top)
- Thread
- Sewing machine

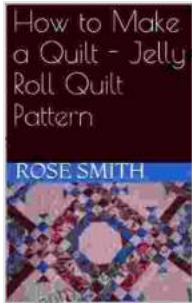

Instructions

1. Lay out the jelly roll strips in the order you want them to appear in the quilt. You can use different colors and patterns to create a variety of looks.
2. Sew the jelly roll strips together end-to-end to create a long strip of fabric. Press the seams open.
3. Cut the long strip of fabric into 10" segments. These segments will form the rows of the quilt.
4. Sew the rows of the quilt together to create the quilt top. Press the seams open.
5. Quilt the quilt top to the batting and backing fabric. You can hand-quilt, machine-quilt, or tie the quilt.
6. Bind the quilt to finish it off.

Tips

- Use a variety of colors and patterns to create a unique quilt.
- Experiment with different layouts to find the one you like best.
- Don't be afraid to make mistakes. Quilting is a forgiving craft.
- Have fun! Quilting is a great way to relax and be creative.

A jelly roll quilt pattern is a great way to use up your fabric scraps and create a beautiful quilt. This pattern is perfect for beginners, as it is easy to follow and requires no special skills. With a little bit of time and effort, you can create a quilt that you will treasure for years to come.
