By Dave Chappelle and Neal Brennan

The Common Sense 80 is a book by Dave Chappelle and Neal Brennan. The book is a collection of essays that explore the concept of the 'common sense 80,' which Chappelle and Brennan define as the 80% of Americans who are not politically active.

The book argues that the common sense 80 are the key to winning elections and bringing about political change. Chappelle and Brennan believe that the common sense 80 are tired of the political status quo and are looking for a change. They argue that the common sense 80 are more likely to vote for candidates who speak to their concerns and offer real solutions to the problems facing the country.

The Common Sense 80 is a timely and important book. It is a must-read for anyone who wants to understand the current political landscape and how to bring about change.

The Common Sense 80

The common sense 80 is the 80% of Americans who are not politically active. This group of people is often overlooked by politicians and pundits,

but they are the key to winning elections and bringing about political change.

The common sense 80 are not apathetic. They are simply turned off by the current political system. They are tired of the gridlock and the partisan bickering. They are looking for candidates who will speak to their concerns and offer real solutions to the problems facing the country.

The common sense 80 are more likely to vote for candidates who are:

- Honest and trustworthy
- Experienced and qualified
- Focused on solving problems
- Not beholden to special interests

The common sense 80 are the key to winning elections and bringing about political change. They are the ones who will decide the outcome of the next election. It is time to start listening to them.

How to Win the Common Sense 80

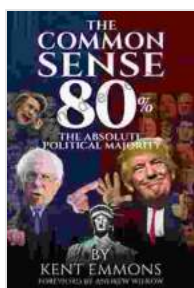

If you want to win the common sense 80, you need to:

- Be honest and trustworthy. The common sense 80 are looking for candidates who they can trust to keep their promises.
- Be experienced and qualified. The common sense 80 want to know that you have the experience and qualifications to do the job.

- Focus on solving problems. The common sense 80 are looking for candidates who will focus on solving the problems facing the country, not on partisan bickering.
- Not be beholden to special interests. The common sense 80 are tired of politicians who are beholden to special interests. They want candidates who will represent the interests of the people, not the interests of big business or big labor.

If you can do these things, you will be well on your way to winning the common sense 80. And if you can win the common sense 80, you can win elections and bring about political change.

The Common Sense 80 is a must-read for anyone who wants to understand the current political landscape and how to bring about change. Chappelle and Brennan offer a unique perspective on the common sense 80 and how they can be the key to winning elections and bringing about political change.
