Getting Started with Tongue Drum Songs

Embarking on a musical journey with the tongue drum is an exciting adventure. Here are a few tips to get you started:

- **Choose a song that resonates with you:** Explore different songs from around the world and select one that sparks your interest. This

could be an African rhythm, an Asian melody, or anything that captures your imagination.

- **Learn the basic notes:** Familiarize yourself with the notes on your tongue drum and their corresponding positions. This will help you navigate the songs more easily.
- **Start slowly and gradually increase speed:** As you practice, focus on playing the notes accurately at a slow pace. Gradually increase your speed as you become more comfortable with the song.
- **Experiment with different techniques:** Don't be afraid to experiment with different playing techniques, such as using your fingers, hands, or mallets. Explore the various sounds and textures you can create on the tongue drum.

30 Simple Tongue Drum Songs from Around the World
