What is Can Read Level?

Can Read Level is a reading level system that was developed by Scholastic Inc. It is designed to help parents and educators identify books that are appropriate for children's reading abilities. The Can Read Level system is based on a child's ability to decode words, understand vocabulary, and comprehend text.

We Love Baseball is a Can Read Level 1 book. This means that it is appropriate for children who are just beginning to read. The book uses simple language and short sentences. It also includes many pictures to help children understand the text.

How to Use We Love Baseball Can Read Level

There are many different ways to use We Love Baseball Can Read Level with your children. Here are a few ideas:

- **Read the book aloud to your children.** This is a great way to introduce them to the story and the characters. You can also point out the pictures and talk about what is happening in the story.
- **Have your children read the book to you.** This is a good way to assess their reading skills. You can also help them with any words that they don't know.
- **Use the book as a springboard for discussion.** You can talk about the different aspects of baseball, such as the players, the equipment, and the rules. You can also talk about the importance of teamwork and sportsmanship.

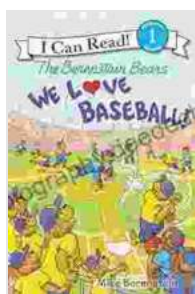

Activities to Supplement We Love Baseball Can Read Level

In addition to reading the book, there are a number of other activities that you can do to help your children learn about baseball. Here are a few ideas:

- **Visit a baseball game.** This is a great way for children to see baseball in action. They can learn about the different positions, the rules of the game, and the strategies that teams use to win.
- **Play baseball in the backyard.** This is a fun way for children to learn the basics of baseball. You can use a wiffle ball and bat, or you can use a regular baseball and bat. Just be sure to supervise your children while they are playing.

- **Read other books about baseball.** There are many great books for children about baseball. You can find books about the history of baseball, the different players, and the different teams. Reading these books can help your children learn more about baseball and develop a lifelong love for the game.

We Love Baseball Can Read Level is a great book for children who are just beginning to read. It is a fun and engaging way to learn about the basics of baseball. With the tips and activities in this guide, you can help your children get the most out of this book and develop a lifelong love for baseball.
