## Eco-Conscious Dining Delights

- **Daigo-an Temple:** Immerse yourself in the serene atmosphere of Daigo-an Temple, a UNESCO World Heritage Site, and savor a traditional Japanese tea ceremony. The temple's teahouse follows zero waste principles, using locally sourced ingredients and composting all waste.

- **Afuri Ramen:** Indulge in a bowl of steaming ramen at Afuri Ramen, a popular restaurant chain renowned for its flavorful broths and commitment to sustainability. The restaurant uses reusable utensils, composts food scraps, and offers discounts for customers who bring their own containers.
- **Gyoza Hohei:** Treat yourself to delicious gyoza (Japanese dumplings) at Gyoza Hohei, a cozy restaurant that prioritizes zero waste. The restaurant sources ingredients from local farmers, uses biodegradable packaging, and donates unsold food to local shelters.

## Sustainable Shopping Gems

- **Kamogawa Eco Shop:** Discover a wide range of eco-friendly products at Kamogawa Eco Shop, from reusable bags and bamboo toothbrushes to organic cleaning supplies. The shop also offers workshops and events to promote sustainable living.
- **Niche:** Step into Niche, a stylish boutique that showcases a curated collection of sustainable fashion, accessories, and homeware. The store emphasizes ethical production, fair trade practices, and minimal packaging.
- **Zero Waste Market Kyoto:** Held monthly, Zero Waste Market Kyoto brings together local vendors offering a variety of zero waste products, from produce and baked goods to handmade crafts and natural skincare.

## Inspiring Attractions and Experiences

- **Kyoto Garbage Museum:** Dive into the fascinating world of waste management at the Kyoto Garbage Museum, which showcases the

city's innovative approaches to waste reduction, recycling, and composting.

- **Kamogawa River:** Stroll along the scenic Kamogawa River and witness the city's efforts to keep its waterways clean. Participate in volunteer cleanups or simply admire the beauty of the river and surrounding parks, which are maintained with zero waste principles in mind.
- **Fushimi Inari Shrine:** Explore the iconic Fushimi Inari Shrine, a UNESCO World Heritage Site known for its thousands of vermilion torii gates. The shrine follows sustainable practices, using biodegradable packaging for offerings and promoting proper waste disposal among visitors.

### **Additional Tips for a Zero Waste Kyoto Experience**

\* Bring your own reusable water bottle, coffee mug, and shopping bags to minimize single-use plastics. \* Opt for public transportation, cycling, or walking instead of driving to reduce your carbon footprint. \* Support businesses that prioritize sustainability by asking about their waste management practices and choosing those that align with your values. \* Pack light and avoid purchasing unnecessary souvenirs or disposable items. \* Respect the local environment by properly disposing of waste in designated bins and avoiding littering.

Kyoto's commitment to zero waste is a testament to the city's dedication to preserving its cultural heritage while embracing a more sustainable future. By visiting these zero waste-friendly places and incorporating these tips into your travels, you can contribute to Kyoto's efforts and enjoy an unforgettable and eco-conscious experience in this captivating city.
